**MOTION OF 3D SYSTEMS
FOR CLARIFICATION OF JUNE 9, 2008 ORDER**

Defendants 3D Systems Corporation and 3D Systems, Inc. (“3D Systems”) request that the Court clarify its June 9, 2008, Order so that they may comply with it. In support of this motion, 3D Systems states as follows:

The Court granted leave to 3D Systems to file a memorandum in support of its motion to dismiss of up to 35 pages (Dkt. # 23). 3D Systems filed the Memorandum on June 6, 2008, consisting of a cover page and 34 pages of briefing (Dkt. # 31). The brief also included a table of contents, table of authorities and certificate of service.

On June 9, 2008, the Court entered an Order striking the Memorandum for exceeding 35 pages and giving 3D Systems until June 17 to file a new Memorandum (Dkt. # 33). 3D Systems did not intend to exceed the page limit and believed that by limiting its briefing to 34 pages, it had complied with that limit. 3D Systems requests that this Court clarify its June 9, 2008 Order by entering an order stating which items should be included in the page count so that 3D Systems can ensure its prompt compliance. 3D Systems apologizes for any inconvenience to the Court.

WHEREFORE, 3D Systems requests that this Court clarify its June 9, 2008 Order by entering an order stating which of the following items should be included in the page count: (a) cover page, (b) table of contents, (c) table of authorities, or (d) certificate of service, or providing any other direction the Court deems appropriate.

Dated: June 9, 2008

Respectfully submitted,
